

ROADMAP TO CANVAS

Your Roadmap to Canvas includes support and resources to help you navigate your expressway to excellence.

	<p>Participate in a variety of Faculty Development opportunities that engage you in fundamental to advanced topics related to teaching face-to-face, hybrid, and online courses using Canvas. *Register for these opportunities in the EDGE</p>	<p>VALENCIA FACULTY SUPPORT AND RESOURCES</p>
	<p>Complete an Inventory Checklist for each course. Review your Blackboard course to determine what to migrate and/or rebuild. Export a .zip file of all course content and import it to Canvas. Delete unused files and pages.</p>	<p>Introductory Canvas Webinars</p>
	<p>Consider scheduling a meeting with a Faculty Developer/ Instructional Designer on your campus to support course and curriculum design.</p>	<p>Campus Centers for Teaching Learning Innovation</p>
	<p>Utilize the draft Rubric for Online Competencies (ROC) to evaluate current practices/course design and plan changes.</p>	<p>Canvas Instructor Guide</p>
	<p>Create an Orientation Module and organize course content and modules into a logical, sequential order.</p>	<p>24/7 Canvas Support</p>
	<p>Build and Organize content pages, discussions, quizzes, and assignments. Review all course activities and instructional materials. Review course for missing content and appropriate dates. Check URLs to ensure they are active and correct.</p>	<p>Faculty Development Courses</p>
	<p>Integrate course technology and publisher materials into course. Incorporate all images, course links, and other external links to support course content. Ensure that all links are functional.</p>	<p>Canvas-based Circles of Innovation</p>
	<p>Explore innovative tools and practices through faculty development courses, Circles of Innovation, and other development opportunities. Integrate these new practices!</p>	<p>Canvas Commons for Sample Courses and Resources</p>
	<p>Perform an Accessibility Check for the course. Review course to ensure alignment with delivery and design criteria in accordance with the draft ROC.</p>
